To Whom It May Concern:

Johnson's Modern Electric Company has worked with Brite Engineering Consultants on several large commercial projects and we are pleased to have been associated with this firm for over 15 years. Brite Engineering and their staff have proven to be exceptional engineers. Without hesitation, I would recommend Brite Engineering for any challenging construction project. If you need any additional information feel free to contact me regarding this reference.

Respectively,

Steven G. Johnson  
President
